Linbee Dog Rehoming was founded in November 2014 by Linda Whitaker.

Our main aim is to provide a safe haven for dogs that are at high risk of being put to sleep and find them forever homes.

We have a non destruct policy and strongly believe that every dog deserves a chance.

All dogs are treated with love and respect and their welfare is our priority. Since we began we have successfully rescued and re-homed over 600 dogs up to the end of 2020, each one bringing joy and creating happy memories for their new families.

At present, Skylark have Lincoln Longwools, North Ronaldsys Portlands and specialise in Greyface Dartmoors. Visiting as many shows as work permits throughout the year, not only for showing, but to display and promote their animals to educate and give children and adults the chance to get close and see the different characteristics of the rare breeds.
